EDUCATION

2016 - 2020
KALINGA INSTITUTE OF INDUSTRIAL
TECHNOLOGY

- Bachelor of Technology,
Electronics and Electrical
Engineering

SKILLS

- GitLab
- Helm
- Tekton
- Ansible
- Shell Script
- Docker
- Kubernetes
- OpenShift
- IBM MQ/ACE
- Cleo MFT
- CP4i
- SSL/TLS
- Linux
- Google Cloud
- IBM Cloud

LANGUAGES

- English (Fluent)

PROFILE

Dynamic Integration Platform Specialist with more than 4.6 years of experience in enhancing enterprise integration platforms and facilitating cloud-native solutions through DevOps methodologies. Skilled in managing and optimizing IBM ACE, MQ, and Cleo environments across IBM, Google Cloud Platform, and Oracle Cloud Platform. Demonstrated success in cloud migration projects, providing scalable and highly available applications within containerized environments.

WORK EXPERIENCE

Accenture 2021- PRESENT
Integration & Cloud-Native Specialist

- Led modernization of enterprise integration platforms, focusing on IBM ACE and MQ deployment in cloud (IBM Cloud, GCP) and containers (OpenShift, Kubernetes).
- Streamlined deployment pipelines using CI/CD tools like Ansible, Tekton, and GitLab CI/CD to enhance efficiency and reduce downtime.
- Developed and managed cloud deployment pathways for integration technologies with Git version control.
- Oversaw CP4I component management and upgrades on OpenShift, ensuring IBM ACE and MQ integration.
- Established monitoring and logging with Prometheus, Grafana, and GCP logging for effective observability and alerting.

Accenture 2020 - 2021
Integration Platform Administrator

- Set up and configured IBM ACE, MQ, and Cleo Harmony/VLTrader on AIX, Linux, and OCP servers.
- Upgraded IBM ACE, MQ, and Cleo applications, including runtime environment updates.
- Diagnosed and resolved issues, implementing preventive measures.
- Designed secure environments with SSL/TLS and Mutual TLS, ensuring compliance and effective key management.

ACHIVEMENTS

Excellence Award

Recognized for collaborating with IBM and Cleo for migrating on-prem Systems to Cloud and saving Cost on Infrastructure

Accenture Celebrates Excellence (ACE) Award

Awarded for building CI/CD Pipeline for Cloud Environment and deployment version control.
